

25th March 2020

To all our valued customers,

We wanted to update you on the current status of Single Source Rentals during these challenging days for all of us.

At this time, we remain open and fully operational while monitoring the changing landscape very closely.

We very much value the safety of our employees and customers whether at our site in Port Coquitlam or our drivers when they are making deliveries and pickups at your locations.

We have taken and put in place measures to ensure we are doing everything we can to protect everyone with the resources available, guided by the recommendations of the Health Authorities.

We're all in this together; look after your families, stay healthy, maintain social distancing and please wash your hands frequently.
